Sensys Gatso receives award letter in Latvia

Sensys Gatso Group, a global leader in traffic safety solutions, has received a letter from the Latvian State Police (VP) that Sensys Gatso and its partner Reck have been selected as winner of a tender for portable speed enforcement systems in Latvia. The value of the contract that can be the result of the award is not yet determined but estimated to be below 5 MSEK.

Sensys Gatso Group is supplying the Latvian State Authorities with fixed speed enforcement systems since 2016. The competition now has 10 days to appeal the decision to award Reck and Sensys Gatso Group. The award will be converted into a contract for the supply of portable speed enforcement systems if no appeal is filed within the 10 days.

Sensys Gatso Group will issue updated information when such is available.
