Sensys Gatso appoints new CFO and CCO

Sensys Gatso Group, a global leader in traffic safety solutions, appointed Simon Mulder as new CFO and Joris Lampe as CCO.

"I am very happy to welcome Simon Mulder in his new role of CFO to the Sensys Gatso Group AB. Simon has been working with Sensys Gatso for the past 2 years in the role of Finance Director of Sensys Gatso Netherlands. Simon's extensive experience in our industry combined with his 14 years background in Accountancy made him the ideal candidate to succeed Niki Gatsonides", says Ivo Mönnink, CEO of Sensys Gatso.

Niki Gatsonides moves on to become CEO of Sensys Gatso Netherlands, where he will take on the important assignment to lead the entity into the next phase. Niki will focus in his new role on driving efficiencies in Development, Operations and Supply. "Niki has a long proven track record in our business and has the knowledge and experience to lead Sensys Gatso Netherlands into the next phase", says Ivo Mönnink.

To further build on our strategy to strengthen Sensys Gatso commercially, Joris Lampe will take on the role of Chief Commercial Officer (CCO). In this role Joris will have overall commercial responsibility for the Group. "Joris has 20 years international commercial experience and a track record in growing sales and profitability at Lucent Technologies, Nedap and Itron. His international commercial experience in Systems and Services and his great fit with the team makes Joris a very strong addition to our Group Management team", says Ivo Mönnink.

"The new Sensys Gatso Leadership team is now complete with Simon Mulder and Joris Lampe as new members and Timo Gatsonides continuing in his role as CTO", concludes Ivo Mönnink.
